Invoicing...

We are happy to arrange invoicing for schools and groups. In order to invoice we require prior notification and a paper copy of a purchase order before your visit. We regret that without receipt of a valid purchase order we will not be able to invoice and will require payment on the day before entry to the park is permitted. Purchase orders can be faxed to 01299 404519 and marked for the attention of "The Booking Team".
