

WALKING SAFARI - DISCOVERY TRAIL

We offer interactive, curriculum-linked guided walks with one of our experienced Rangers, designed to enhance and consolidate students' learning. Join us on a journey through our Discovery Trail!

EYFS, KS1 AND KS2

Splash, hiss and tweet - what could that be? Listen out for clues as your class explores the animals in our Discovery Trail! Our Ranger is full of animal-tastic facts to pass on: why are penguins black and white? How do bats find their way in the dark? Join our Ranger in a tour around the Discovery Trail to discover the answers to these questions and many more!

KS3, KS4 AND FE

Our Discovery Trail is home to over 100 animals, ranging from Humboldt penguins to some of the largest and most deadly reptiles on Earth. Led by your experienced and knowledgeable Ranger, learn about the threats these animals face and the ways in which West Midland Safari Park is working to protect their future.

If you would like to book a Walking Safari of the Discovery Trail, please call 01299 404888 or email education@wmssp.co.uk
